## HB194 Enrolled

Enrolled, An Act,

Relating to the Joint Committee of the State Board of Medical Examiners and the Board of Nursing for Advanced Practice Nurses; to amend Sections 34-21-81 and 34-21-82, Code of Alabama 1975; to revise membership of the joint committee and the per diem provided to members.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. Sections 34-21-81 and 34-21-82, Code of Alabama 1975, are amended to read as follows:

"§34-21-81

As used in this article, the following terms ~~shall~~ have the following meanings:

(1) ADVANCED PRACTICE NURSE. A registered nurse who has gained additional knowledge and skills through successful completion of an organized program of nursing education that prepares nurses for advanced practice roles and has been certified by the Board of Nursing to engage in the practice of advanced practice nursing. There shall be four categories of advanced practice nurses: Certified registered nurse practitioners (CRNP), certified nurse midwives (CNM), certified registered nurse anesthetists (CRNA), and clinical nurse specialists (CNS). Certified registered nurse practitioners and certified nurse midwives are subject to collaborative practice agreements with an Alabama physician. Certified registered nurse anesthetists and clinical nurse specialists are not subject to collaborative practice agreements with an Alabama physician and are not subject to

the requirements of Sections 34-21-82, 34-21-83, and 34-21-85 to 34-21-92, inclusive, and are prohibited from engaging in any of the acts or functions of a certified registered nurse practitioner (CRNP) or a certified nurse midwife (CNM) as established by this article and rules adopted under this article.

(2) ADVANCED PRACTICE NURSING. The delivery of health care services by registered nurses who have gained additional knowledge and skills through successful completion of an organized program of nursing education that prepares nurses for advanced practice roles as certified registered nurse practitioners, certified nurse midwives, certified nurse anesthetists, and clinical nurse specialists:

a. Practice as a certified registered nurse practitioner (CRNP) means the performance of nursing skills by a registered nurse who has demonstrated by certification that he or she has advanced knowledge and skills in the delivery of nursing services within a health care system that provides for consultation, collaborative management, or referral as indicated by the health status of the client.

b. Practice as a certified nurse midwife (CNM) means the performance of nursing skills by a registered nurse who has demonstrated by certification that he or she has advanced knowledge and skills relative to the management of women's health care focusing on pregnancy, childbirth, the postpartum period, care of the newborn, family planning, and gynecological needs of women, within a health care system that provides for consultation, collaborative management, or

referral as indicated by the health status of the client.

c. Practice as a certified registered nurse anesthetist (CRNA) means the performance of or the assistance in any act involving the determination, preparation, administration, procedural ordering, or monitoring of any drug used to render an individual insensible to pain for surgical and other therapeutic or diagnostic procedures. The nurse anesthetist is qualified in accordance with Section 27-46-3 and is licensed by the Board of Nursing and functions under the direction of or in coordination with a physician licensed to practice medicine, a podiatrist, or a dentist, who is immediately available. Nothing in this paragraph shall be construed to restrict the authority of a health care facility to adopt policies relating to the provision of anesthesia and analgesia services.

d. Practice of clinical nurse specialist (CNS) nursing means the performance of nursing skills by a registered nurse who, through study and supervised practice at the graduate level and as evidenced by certification, has advanced knowledge and practice skills in a specialized area of practice, except that a clinical nurse specialist may not do any of the following:

1. Perform delegated medical acts or engage in collaborative practice as described in this article.

2. Perform any of the functions of a certified registered nurse practitioner or a certified nurse midwife as described in this article and the rules adopted under this article, whether or not performed within a collaborative

85 practice relationship.

86 3. Prescribe drugs of any type. A clinical nurse  
87 specialist may perform nursing services permitted under this  
88 subdivision as an independent contractor.

89 (3) BOARD OF MEDICAL EXAMINERS. The State Board of  
90 Medical Examiners established pursuant to Section 34-24-53.

91 (4) BOARD OF NURSING. The Board of Nursing established  
92 under Section 34-21-2.

93 (5) COLLABORATION. A formal relationship between one or  
94 more certified registered nurse practitioners and certified  
95 nurse midwives and a physician or physicians under which these  
96 nurses may engage in advanced practice nursing as evidenced by  
97 written protocols approved in accordance with the requirements  
98 of this article or exempted in accordance with requirements of  
99 this article. The term collaboration does not require direct,  
100 on-site supervision of the activities of a certified  
101 registered nurse practitioner or a certified nurse midwife by  
102 the collaborating physician. The term does require such  
103 professional oversight and direction as may be required by the  
104 rules of the State Board of Medical Examiners and the Board of  
105 Nursing.

106 (6) COORDINATION WITH. When an anesthesiologist is not  
107 physically present, the working relationship between a  
108 physician, a podiatrist, or a dentist and a certified  
109 registered nurse anesthetist licensed to practice in this  
110 state. Each contributes his or her respective expertise in the  
111 provision of patient care, which includes the discussion of  
112 patient treatment, diagnosis, and consultation.
