SYNOPSIS:

Under existing law, termination dates are established for enumerated state agencies. The agencies are periodically reviewed by the Alabama Sunset Committee. After the review process is completed, the committee prepares its recommendation for the agencies to the Legislature in the form of sunset bills which either continue, terminate, or continue with modification each agency reviewed.

This bill would provide for the continuance of the Alabama Board of Athletic Trainers until October 1, 2027, with the following change: To require that a board member resides in and be appointed from each congressional district in this state and that any remaining members be appointed from the state at-large.
