"§17-4-38.1

(a) State agencies shall provide to the Secretary of State, on a schedule to be determined by the Secretary of State, any information and data that the Secretary of State considers necessary in order to maintain the statewide voter registration database established pursuant to Section 17-4-33, except where prohibited by federal law or federal regulation. The Secretary of State shall ensure that any information or data provided to the Secretary of State that is confidential in the possession of the entity providing the data remains confidential while in the possession of the Secretary of State.

(b) (1) The Secretary of State may enter into agreements to share information or data with other individual states ~~or group of states~~, as the Secretary of State considers necessary, in order to maintain the statewide voter registration database. Information or data that the Secretary of State may share pursuant to this subsection includes, but is not limited to, an electronic copy of the statewide voter list and data obtained pursuant to subsection (a).

(2) Except as otherwise provided in this section, the Secretary of State shall ensure that any information or data provided to the Secretary of State that is confidential in the possession of the state providing the

49 data remains confidential while in the possession of the
50 Secretary of State. The Secretary of State may provide
51 ~~such~~ otherwise confidential information or data to county
52 boards of registrars for legitimate governmental purposes
53 related to the maintenance of the statewide voter
54 registration database.

55 (c) A county board of registrars shall contact a
56 registered elector by mail to verify the accuracy of the
57 information in the statewide voter registration database
58 regarding that elector if information provided under
59 subsection (a) or (b) identifies a residential address
60 for the elector that lies outside of the county in which
61 the elector is registered to vote, except when the
62 information provided under subsection (a) or (b)
63 indicates that the elector registered to vote in another
64 jurisdiction, within or without the State of Alabama, at
65 a date subsequent to the date the elector registered to
66 vote in the jurisdiction of the county board of
67 registrars.

68 (d) (1) The costs associated with agreements entered
69 into by the Secretary of State as provided for in
70 subsection (b) may be rendered by the Secretary of State
71 to the Department of Finance and paid from the voter
72 registration fund.

73 (2) The cost of production and mailing required in
74 subsection (c) shall be rendered by the Secretary of
75 State to the Department of Finance and paid from the
76 voter registration fund.

77 (e) The Secretary of State may ~~promulgate~~ adopt rules
78 in accordance with the Administrative Procedure Act to
79 implement this section."

80 "§17-4-39

81 (a) ~~It shall be the responsibility of the~~ The board
82 of registrars ~~to enter~~ shall be responsible for entering
83 and updating in a timely manner the names and information
84 of the electors who register to vote and vote in each
85 election into the state voter registration list and for
86 conducting regular voter list maintenance activities as
87 directed by the Secretary of State and otherwise provided
88 by law, including processing registered individuals
89 identified by programs conducted pursuant to subsection
90 (b). Removal of any registered individual determined to
91 be improperly registered may be accomplished at any time
92 by a majority vote of the board.

93 (b) (1) The Secretary of State shall be responsible
94 for directly conducting regular state voter registration
95 list maintenance programs to ensure database integrity.
96 These programs shall be known as the Alabama Voter

Integrity Database (AVID). The Alabama Voter Integrity Database shall compare the state voter registration list to:

a. Alabama State Law Enforcement Agency driver license and nondriver identification card data to identify registered voters in Alabama who have moved and obtained a driver license or nondriver identification card in another state or who have registered to vote in Alabama and then applied for a foreign national driver license or nondriver identification card;

b. State-to-state voter list data to identify individuals who are registered to vote in Alabama but who are also registered to vote in another state, including individuals who may have voted in the same or a similar election in both states, with priority given to data from states in close geographical proximity to Alabama;

c. The National Change of Address database to identify individuals who are registered to vote in Alabama but have notified the United States Postal Service that they have relocated to a new county within the state or an address outside of Alabama;

d. Social Security Death Index data to identify deceased individuals who are registered to vote and may have died out of state; and

121 e. United States Department of Homeland Security
122 Citizenship and Immigration Services data to identify
123 individuals who are registered to vote in Alabama but are
124 ineligible to vote because they are noncitizens.
125 (2) Individuals identified shall be timely
126 communicated by the Secretary of State to the appropriate
127 board or boards of registrars to process."
