106 and shall be used by the school for school purposes.

107 (3) Upon every person, firm, or corporation engaged or
108 continuing within this state in the business of selling at
109 retail machines used in mining, quarrying, compounding,
110 processing, and manufacturing of tangible personal property an
111 amount equal to one and one-half percent of the gross proceeds
112 of the sale of the machines. On September 1, 2025, and

113 thereafter, the tax rate shall be reduced to one and
114 one-quarter percent of the gross proceeds of the sale of the
115 machines. The term "machine," as herein used, shall include
116 machinery which is used for mining, quarrying, compounding,
117 processing, or manufacturing tangible personal property, and

122 (4) Upon every person, firm, or corporation engaged or
123 continuing within this state in the business of selling at
124 retail any automotive vehicle or truck trailer, semitrailer,
125 or house trailer, or mobile home set-up materials and supplies
126 including, but not limited to, steps, blocks, anchoring, cable
127 pipes, and any other materials pertaining thereto, an amount
128 equal to two percent of the gross proceeds of sale of the
129 automotive vehicle or truck trailer, semitrailer, or house
130 trailer, or mobile home set-up materials and supplies
131 provided, however, where a person subject to the tax provided
132 for in this subdivision withdraws from his or her stock in
133 trade any automotive vehicle or truck trailer, semitrailer, or
134 house trailer for use by him or her or by his or her employee
135 or agent in the operation of the business, there shall be

139 remain the property of the person. Each year or part thereof
140 shall begin with the day or anniversary date, as the case may

141 be, of such withdrawal and shall run for the 12 succeeding
142 months or part thereof during which the automotive vehicle,
143 truck trailer, semitrailer, or house trailer shall remain the
144 property of the person.

145 Where any used automotive vehicle or truck trailer,
146 semitrailer, or house trailer is taken in trade or in a series

150 less the credit for the used vehicle taken in trade.

151 Sales of automobiles, motorcycles, trucks, truck
152 trailers, travel trailers, campers, housecars, or semitrailers
153 that will be registered or titled outside Alabama, that are
154 exported or removed from Alabama within 72 hours by the
155 purchaser or his or her agent for first use outside Alabama
156 are subject to Alabama sales tax in an amount equal to only
157 the state automotive sales tax rate, unless the sales tax laws

159 vehicle allows an Alabama resident to purchase a motor vehicle
160 for first titling and registering in Alabama without the
161 payment of tax to that state. However, in no case shall the
162 amount of Alabama state sales tax due on a motor vehicle that
163 will be registered or titled for use in another state exceed
164 the amount of sales tax that would otherwise have been due in
165 the state where the vehicle will be registered or titled for
166 first use. In order to qualify as a travel trailer, camper, or
167 housecar that will be registered or titled for use in another
168 state, the purchaser must provide documentation to the seller

that the purchaser is not a resident of Alabama as required by the Department of Revenue. No such proof is required in the sale of an automobile, motorcycle, truck, truck trailer, or semitrailer, excluding a travel trailer, camper, or housecar. The tax collected under this export provision shall be Alabama sales tax and shall exclude county and municipal sales tax. On January 1, 2016, and each January 1 thereafter, the Alabama Department of Revenue shall publish to the state's website a list of states that do not allow drive out provisions to Alabama residents. Should the list, required by this subsection and relied upon by the taxpayer, be incorrect, the taxpayer shall be relieved from the liability concerning the miscollection of the state automotive sales tax. Sales of all other vehicles such as mobile homes, motor bikes, all terrain vehicles, and boats do not qualify for the export exemption provision and are taxable unless the dealer can provide factual evidence that the vehicle was delivered outside of Alabama or to a common carrier for transportation outside Alabama. In order for the sale to be exempt from Alabama tax, the information relative to the exempt sale shall be documented on forms approved by the ~~Revenue~~ Department of Revenue.

Of the total two cent (\$0.02) tax on each dollar of sale provided hereunder, 58 percent of the total tax generated by this subdivision ~~-(4)-~~ shall be deposited to the credit of the Education Trust Fund and 42 percent of the total tax generated by this subdivision ~~-(4)-~~ shall be deposited to the credit of the State General Fund.

(5) Upon every person, firm, or corporation engaged or continuing within this state in the business of selling through coin-operated dispensing machines, food and food products for human consumption, not including beverages other than coffee, milk, milk products, and substitutes therefor, there is levied a tax equal to three percent of the cost of the food, food products, and beverages sold through the machines, which cost for the purpose of this subdivision shall be the gross proceeds of sales of the business.

(6) Upon every person, firm, or corporation engaged or continuing within this state in the business of selling food as defined in Section 40-23-1, there is a tax levied equal to four percent of the gross proceeds of the sale of food. On September 1, 2023, the tax rate shall be reduced to three percent. On September 1, 2024, the tax rate shall be reduced to two percent, if the average of the estimated growth in the total net receipts from all revenue sources to the Education Trust Fund for the fiscal year ending September 30, 2025, as certified by the Director of Finance and the Legislative Fiscal Officer, respectively, pursuant to Section 260.02 of the Constitution of Alabama of 2022, is at least three and one-half percent higher than the previous fiscal year.
