5 Replace line 98 on page 4 with the following:

6 distributed among the participating local
7 governments, with each participating local government
8 other than the county receiving an amount bearing the
9 same proportion as the population of the participating
10 local government bears to the total population of the
11 county according to the most recent federal decennial
12 census. The remainder shall be distributed to the county
13 general fund."
