SYNOPSIS:

Under existing law, a local superintendent of education or principal of a private K-12 school may be notified in writing if a child enrolled in a school under their jurisdiction has been adjudicated delinquent for committing certain criminal acts.

This bill would require the juvenile court to provide written notification to the local superintendent or principal of a private K-12 school upon an enrolled child being charged with or adjudicated delinquent by the juvenile court for committing a criminal act which if committed by an adult would be a Class A or Class B felony.

This bill would also authorize the juvenile court to provide written notification to the local superintendent or principal of a private K-12 school upon an enrolled child being charged with or adjudicated delinquent by the juvenile court for committing any other act which would be considered criminal if committed by an adult.

A BILL  
TO BE ENTITLED  
AN ACT
