4 SJR___ COMMENDING TROY REGIONAL MEDICAL CENTER ON BEING
5 NAMED ONE OF THE CHARTIS CENTER FOR RURAL HEALTH'S TOP 100
6 RURAL AND COMMUNITY HOSPITALS.

7
8 WHEREAS, the Alabama Legislature takes great pride in
9 recognizing those institutions that strive to better their
10 communities and this great state; Troy Regional Medical
11 Center is one of these institutions; and

12 WHEREAS, the Chartis Center for Rural Health annually
13 recognizes 100 rural and community hospitals for their
14 outstanding performance based on their Performance INDEX;
15 the INDEX uses publicly available data to measure and
16 monitor performance across a variety of areas impacting
17 hospital operations and finance; each hospital's INDEX score
18 is a percentile rank of aggregate performance across eight
19 pillars spanning Market, Value, and Finance; and

20 WHEREAS, Troy Regional Medical Center is the only
21 Alabama hospital to make the elite list in 2025; Troy
22 Regional has an overall INDEX score of 73.9, as compared
23 with a median score of 23.7 for Alabama and 34.2 for the
24 United States; Troy Regional's most noteworthy indicator was
25 its Quality Score of 88; it was also in the 99th percentile
26 for Cost, and the organization scored in the 71st percentile
27 for Capital Efficiency; and

28 WHEREAS, amidst uncertainty, transition, and strain,

SJR71 INTRODUCED

29 the recognized top performers are excelling in managing
30 risk, achieving higher quality, securing better outcomes,
31 increasing patient satisfaction, and operating at a lower
32 cost than their peers; these groups serve as a benchmark for
33 other rural facilities as they strive to achieve similar
34 results and provide a blueprint for successfully navigating
35 the uncertainty of the today's health care; now therefore,

36 BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH
37 HOUSES THEREOF CONCURRING, That Troy Regional Medical Center
38 is highly commended for being included in the Chartis Center
39 for Rural Health's 2025 Top 100 Rural and Community
40 Hospitals; and we know that these scores are not accidental,
41 but are the result of deliberate and focused efforts every
42 single day.
