Replace lines 155 through 164 on page 6 with the following:

(b) In emergency situations where an out-of-network provider delivers emergency care, the nonprofit agricultural organization shall pay the out-of-network provider one of the following, less the enrollee's in-network cost sharing amount:

(1) The median amount of the nonprofit agricultural organization's in-network rate for a covered service; or

(2) Eighty percent of the maximum allowable charge for any service not covered by the nonprofit agricultural organization.
