Replace line 46 on page 2 with the following:

(a) (1) An adult sex offender convicted of a sex offense

Replace line 51 on page 2 with the following:

to the Internet.

(2) Notwithstanding subdivision (1), a parole or probation officer may not prohibit an adult sex offender from using a computer or other electronic media with Internet access for the sole purpose of performing the adult sex offender's job duties. A parole or probation officer may impose reasonable restrictions on an adult sex offender's use of electronic media in the performance of his or her job duties, provided that the restrictions may not prevent the adult sex offender from completing the duties or his or her job.
