Replace line 24 on page 1 with the following:

official website.

This bill would allow a political party to opt out of requiring registration of party affiliation to vote in a primary election.

Replace line 51 on page 2 with the following:

parties; to provide exceptions; and to make nonsubstantive, technical revisions to

Replace lines 114 through 115 on page 5 with the following:

voter registration list.

(g) Notwithstanding the foregoing, the executive standing committee of a political party may opt out of requiring electors to register their political party affiliation in order to vote in primary elections of that political party. The executive standing committee shall notify the Secretary of State, in writing, of its intention to opt out of this section.

25 (h) The Secretary of State shall adopt rules to
