Replace line 83 on page 3 with the following:

secretary to cover the operational costs of  
administering the workers' compensation program which are  
not otherwise covered by this subsection, provided that  
those unexpended monies shall not be used in any manner  
that results in an additional assessment, fee, surcharge,  
levy, or other charge against any insurance carrier,  
self-insured employer, or group self-insurance fund.

Included in the budget shall be an amount of money
