Replace line 460 on page 17 with the following:

(6)a. Beginning no later than January 1, 2028, the State Treasurer shall annually issue a report to the Legislature which summarizes all digital asset activity pursuant to this chapter for the previous year.

b. The initial annual report shall address the feasibility of contracting with a qualified custodian for the purpose of holding digital assets in the assets' native form and any costs that may be associated with contracting with a custodian for this purpose.

c. Paragraph b. shall not be construed to require the State Treasurer to contract with a qualified custodian for the purpose of the state holding unclaimed digital assets in the assets' native form.

~~(e)~~ (d) Any person making a claim pursuant to this
