The provisions of this act could increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, local jails, the district attorneys, the Department of Corrections, the Bureau of Pardons and Paroles, and community corrections programs by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this act and the penalties imposed.
