Senate Bill 128

Committee: Boards, Agencies and
Commissions

Sponsor: Senator Linda Coleman-Madison

Analyst: Tiffany Weaver

Date: 01/27/2026

Senate Bill 128 as passed by the Senate would establish the Alabama Sickle Cell Oversight and Regulatory Commission as a division within the Alabama Department of Public Health beginning October 1, 2026. This could increase the administrative obligations of the Department by an undetermined amount dependent upon the cost to provide the administrative services necessary for the Commission to carry out its duties. However, this bill provides that certain costs incurred by the commission would be offset by funds appropriated for use by the Commission on behalf of the Commission. For FY 2025, total estimated funds available to the board were \$1.98 million and estimated expenditures were \$1.90 million.

The provisions of this bill would provide for the continuance of Commission until October 1, 2030, pursuant to the Alabama Sunset Law.
