Senate Bill 272

Committee: ENACTED

Sponsor: Senator Arthur Orr

Analyst: John Friedenreich

Date: 07/20/2026

Senate Bill 272 (Act 2026-592) as enacted could increase the administrative obligations of the State Board of Education to adopt rules regarding the use of public records provided by local boards of education.

Additionally, this act could increase the administrative obligations of certain government agencies to comply with the provisions of this act to redact certain information from public contracts for goods or services that could be used to initiate a financial transaction.

Finally, this act could increase the obligations of the Attorney General's Office and prosecuting authorities by an undetermined amount to seek action against persons violating the provisions of this act, which likewise could increase receipts to the State General Fund and local funds by an undetermined amount dependent upon the number of violations and the amount of the penalties imposed, in amounts not to exceed $500 per violation, for violating the provisions of this act.
