

FISCAL NOTE

House Bill 104

Committee: Financial Services

Sponsor: Representative Chris Blackshear

Analyst: Riley Aaron

Date: 01/13/2026

House Bill 104 as introduced could increase receipts from unclaimed property to the State General Fund by an undetermined amount dependent on the value of digital assets deemed abandoned and sold by the State Treasurer. This bill could also decrease the obligations of the State Treasurer by an undetermined amount dependent on the difference in the amount spent on advertising of the sale of abandoned property by newspaper, as provided by current law, and the amount spent on such advertising by other means as provided by the bill.
