

## FISCAL NOTE

### House Bill 104

Committee: Finance and Taxation General Fund

Sponsor: Representative Chris Blackshear

Analyst: Riley Aaron

Date: 02/02/2026

---

**House Bill 104** as passed the House of Representatives could increase receipts from unclaimed property to the State General Fund by an undetermined amount dependent on the value of digital assets deemed abandoned and sold by the State Treasurer. This bill could also decrease the obligations of the State Treasurer by an undetermined amount dependent on the difference in the amount spent on advertising the sale of abandoned property by newspaper, as provided by current law, and the amount spent on advertising by other means as provided by the bill.
