

FISCAL NOTE

House Bill 263

Committee: Judiciary

Sponsor: Representative Ben Robbins

Analyst: Jennifer Farish

Date: 02/18/2026

House Bill 263 as reported by the Committee on Judiciary could increase the obligations of the Attorney General to investigate claims through the Consumer Interest Division of unlawful disposition of certain consumer data under certain conditions, which could be offset by civil fines imposed, not exceeding \$3,000 per violation, as provided by this bill.
