**Senate Bill 125** as introduced would decrease income tax receipts to the Education Trust Fund by an estimated maximum of \$52,000 annually for Fiscal Year 2027 through Fiscal Year 2031 by establishing a refundable, non-transferable income tax credit for the recycling of oyster shell material. The credit would have an annual cap of \$100,000 with a maximum credit of \$2,000 per claimant and would sunset after tax year 2030.
