**Senate Bill 325** as reported by the Committee on Fiscal Responsibility and Economic Development would codify the existing exemption of the Alabama Industrial Development Training Institute (AIDT) from the contract review requirements of the Legislative Contract Review Oversight Committee.

Also, this bill would exempt AIDT from compliance with the state procurement law for the procurement of supplies and services, which, could increase or decrease the obligations of AIDT by an undetermined amount dependent upon the difference in (1) the cost of goods and services procured pursuant to this bill; and (2) the cost procured otherwise under current law.
