Committee: Finance and Taxation Education Sponsor: Representative Allen Treadaway

Analyst: John Friedenreich

Date: 04/01/2026

House Bill 98 as passed the House of Representatives would create the Alabama Law Enforcement Officers' Family Scholarship Program to provide reimbursement for certain educational expenses to certain eligible dependents of qualifying law enforcement officers. This bill would increase the obligations of the Education Trust Fund (ETF) by an undetermined amount dependent upon the number of eligible recipients of the scholarship, not to exceed an annual appropriation of \$10 million. This bill would also create the Alabama Law Enforcement Officers' Family Scholarship Fund in the State Treasury to receive funding for the program.

Additionally, this bill would require: (1) the scholarship amount to be capped at \$3,000 for each academic period for up to 8 semesters, or 12 quarters, in an approved postsecondary program; and (2) the state educational benefits provided be applied only after all other financial aid and proceeds from certain blackout license plates as authorized by this bill have been applied.

This bill would also increase the administrative obligations of the Alabama Commission on Higher Education to administer the scholarship program and to submit an annual report to the Legislature by January 1st. The Fiscal Year 2027 ETF appropriations bill as passed the House of Representatives includes an \$2 million appropriation for this program.

Finally, this bill would create a new personalized blackout license plate with an additional annual fee of \$50, which could increase receipts to the following entities by the amounts listed for each plate issued:

Entity	Distribution
2.5% Commission to the License Plate Issuing Official	\$1.25
Department of Corrections	\$1.50
Department of Revenue Administrative Cost	\$1.00
Alabama Law Enforcement Officers' Family Scholarship Fund	\$46.25
Total	\$50.00
