Senate Bill 57

Committee: Finance and Taxation General Fund Sponsor: Senator Arthur Orr

Analyst: Tiffany Weaver

Date: 01/19/2026

Senate Bill 57 as introduced would increase the administrative obligation of the Department of Human Resources by requiring the department to request a waiver from the United States Department of Agriculture Food and Nutrition Service to authorize the department to exclude soda and candy from the definition of "eligible foods" for the Supplemental Nutrition Assistance Program (SNAP). Granting of this waiver would not directly affect state or local funding, as it only changes the eligible foods that can be purchased and not the amount of benefits received by SNAP beneficiaries.
