### House Bill 378

**House Bill 378** as introduced would increase the obligations of the Department of Revenue, paid from the State General Fund, by up to \$1,200 annually for each county-employed licensing administrator that receives additional compensation for being awarded the designation of "Alabama Certified Licensing Administrator".

However, current law caps the total amount of funding available for such compensation at \$250,000 annually. According to the department, the actual annual compensation that would be paid under this program, inclusive of this bill, due to this cap, would be an estimated \$801.
