

FISCAL NOTE

Senate Bill 358

Committee: Fiscal Responsibility and
Economic Development

Sponsor: Senator Greg Albritton

Analyst: Jennifer Farish

Date: 03/13/2026

Senate Bill 358 as introduced could increase the administrative obligations of county commissions whose counties border the Gulf of Mexico by allowing the commissions to regulate solar farms. These obligations could be offset by permit and application fees set by the county commissions, as provided by this bill.

This bill could also increase receipts to county general funds from fines levied for violations pursuant to the provisions of this bill.
