Senate Bill 303

Committee: County and Municipal Government Sponsor: Senator Keith Kelley

Analyst: Peter Grogan

Date: 02/13/2026

Senate Bill 303 as introduced would increase motor vehicle registration and license fee receipts to the Alabama Law Enforcement Agency (ALEA), the Public Road and Bridge Fund, and the counties and municipalities by an undetermined amount dependent upon the number of off-road or recreational off-road vehicles that would become registered pursuant to the provisions of this bill.

Additionally, this bill would also increase the administrative obligations of: (1) the Department of Revenue to administer the provisions of this bill; and ALEA to collect certain accident data on off-road vehicles and report to the Joint Transportation Committee of the Legislature prior to the start of the 2029 legislative session.
