Committee: Judiciary

Sponsor: Senator Will Barfoot

Analyst: Tiffany Weaver

Date: 03/10/2026

Senate Bill 336 as introduced could increase license fee receipts to the Department of Human Resources (DHR) by an undetermined amount dependent upon the number of child-care facilities operating for-profit or engaged in 24-hour residential care that would now be required to have a license to operate. This bill would also increase the administrative obligations of DHR to adopt rules pursuant to the provisions of this bill.

Further, this bill could increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.
