Senate Bill 341 (Act 2026-475) as enacted increases the obligations of the Alabama Department of Transportation and the Alabama Law Enforcement Agency to implement the provisions of this act by undetermined amounts dependent on the costs to install and operate photographic speed enforcement systems in works zones on public highways, as provided by this act. The increased obligations will be offset, in whole or in part, by the collection of a \$250 civil fine for each violation, as provided by this act, of which the proceeds will be distributed evenly between the ALEA Work Zone Safety Fund and the Transportation Work Zone Safety Fund, as created by the provisions of this act.
