House Bill 461

Committee: Public Safety and Homeland
Security

Sponsor: Representative Russell Bedsole

Analyst: John Friedenreich

Date: 02/24/2026

House Bill 461 as introduced could increase the financial obligations of Marion Military Institute (MMI) by an undetermined amount dependent on the cost to administer a law enforcement training curriculum pursuant to the provisions of this bill, which presumably would be offset, in part or in whole, by additional tuition and fees collected by MMI when enrolling additional students in this program.

Additionally, this bill would increase the administrative obligations of the Alabama Peace Officers' Standards and Training Commission (APOST) to adopt rules allowing MMI to be recognized as a law enforcement training academy.
