

## FISCAL NOTE

### Senate Bill 287

Committee: Economic Development and  
Tourism

Sponsor: Senator Kirk Hatcher

Analyst: Tiffany Weaver

Date: 03/31/2026

---

**Senate Bill 287** as reported by the Committee on Economic Development and Tourism could increase receipts to the Consumable Hemp Product Compliance Fund by an undetermined amount annually dependent on the number of Specialty Retailer of Electronic Nicotine Delivery Systems permittees that choose to obtain the \$1,000 retailer license for consumable hemp products, along with the corresponding \$50 application fee.
