Committee: County and Municipal Government Sponsor: Senator Chris Elliot

Analyst: Peter Grogan

Date: 02/27/2026

Senate Bill 326 as introduced would require the Alabama Law Enforcement Agency (ALEA) to establish rules regulating the anchoring and rafting of vessels; and would allow ALEA to enforce these rules via citations and related fines up to \$200 per violation which could increase receipts to the State General Fund and county general funds, and other funds to which court costs are deposited; and could increase receipts to the Public Safety Fund from fines, by an undetermined amount, dependent upon the number of violations issued and the amount of the penalties imposed.
