

FISCAL NOTE

House Bill 286

Committee: Ways and Means Education

Sponsor: Representative Danny Crawford

Analyst: Mathieu Fuller

Date: 02/18/2026

House Bill 286 as introduced would decrease utility gross receipts (UGR) tax and utility service use (USU) tax receipts to the Education Trust Fund (ETF) by an undetermined amount dependent upon the the cost and amount of electricity, natural gas, and telephone or other connective services used for radio and television broadcast stations, which would be exempted from these taxes by this bill.
