Committee: Judiciary

Sponsor: Representative Juandalynn Givan

Analyst: Peter Grogan

Date: 03/17/2026

House Bill 621 as introduced could increase the administrative obligations of a state, county, or municipal law enforcement agency to report the number of sworn law enforcement officers employed by each agency. This bill would also increase the administrative obligations of the Alabama State Law Enforcement Agency to annually produce reports and to adopt rules to implement these provisions.

Additionally, this bill could reduce funding to any state, county, or municipal agency by an undetermined amount dependent on the amount of grant funding administered by the Alabama Department of Economic and Community Affairs that is withheld for failure to submit the reports required by the provisions of this bill.

Finally, this bill could increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.
