Senate Bill 157

Committee: Veterans, Military Affairs, and Public Safety Sponsor: Senator Merika Coleman

Analyst: Peter Grogan

Date: 01/21/2026

Senate Bill 157 as introduced could increase the obligations of state and local law enforcement agencies, by an undetermined amount, to comply with the provisions of this bill regarding litigation in circuit court when the release of a body-worn camera recording is denied by a law enforcement agency. The increased obligations of law enforcement agencies could be offset, partly by any fees charged and collected for the production, editing and/or redaction of a recording as provided by this bill.
