House Bill 156

Committee: Healthcare

Sponsor: Representative Paul Lee

Analyst: Tiffany Weaver

Date: 02/06/2026

House Bill 156 as passed the House of Representatives would allow the Alabama Board of Medical Examiners to join the Physician Assistant (PA) Licensure Compact. The provisions of this bill: (1) would increase the financial obligations of the Board by an undetermined amount dependent on the amount of the annual assessment fee levied by the PA Licensure Compact Commission on each member state to cover the costs of its operations, activities, staff, and annual budget as authorized in the compact; (2) could decrease the amount of license fees currently collected from licensed physician assistants with out-of-state residences who decide to become licensed in their home state and practice in Alabama under the compact privilege by \$44,000 annually; and (3) would increase receipts to the Board from fees imposed for the multistate license by an undetermined amount dependent upon the number of licenses issued and the fee amounts set by the Board.

Further, this bill would increase the administrative obligations of the Board to submit information to the commission's licensure data system as provided for by the provisions of this bill.
