

FISCAL NOTE

House Bill 141

Committee: County and Municipal Government Sponsor: Representative Chip Brown

Analyst: Mathieu Fuller

Date: 03/09/2026

House Bill 141 as passed the House of Representatives could increase the obligations of certain municipal utility boards by an estimated maximum of \$21,600 annually for each board by increasing the cap on director's fees paid to board members by: 1) \$600 per meeting for the board chair; and 2) \$200 per meeting for the board members.

This bill could also increase the obligations of certain other municipal utility boards by an estimated maximum of \$9,600 annually for each board by allowing the respective municipality to increase board membership from 3 members, currently, to 5 members, as provided in this bill.
