**House Bill 198** as introduced could increase the obligations of each sheriff, by an undetermined amount to establish a training program for special reserve deputies executing writ of service which could be offset, in whole or in part, by the training fee that the sheriff is authorized to charge in accordance with the provisions of this bill.

This bill would also: 1) provide for sheriffs to establish a service fee of up to \$250 to be retained by the special revenue deputy serving the writ of seizure as provided by the bill; 2) prohibit such special reserve deputy from the court for such service; 3) prohibit the sheriff from receiving this fee.
