Senate Bill 197

Committee: ENACTED

Sponsor: Senator Dan Roberts

Analyst: Jennifer Farish

Date: 10/21/2026

Senate Bill 197 (Act 2026-398) as enacted, could decrease the obligations of counties and municipalities by an undetermined amounts dependent on any savings realized from any health or fire safety inspections no longer performed for mobile food vendors in jurisdictions outside of the food vendor's established commissary location.

The provisions of this act will increase the obligations of the State Fire Marshal's office by an undetermined amount dependent on the cost to establish a uniform statewide fire safety inspection process and maintain a list of local fire departments authorized to conduct fire inspections of mobile food vendors pursuant to the provisions of this act.

Finally, the provisions of this act could increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by undetermined amounts dependent upon the number of persons charged with and convicted of the offenses provided by this act and the penalties imposed.
