Senate Bill 350

Committee: Healthcare

Sponsor: Senator Donnie Chesteen

Analyst: Tiffany Weaver

Date: 03/13/2026

Senate Bill 350 as introduced would increase the administrative obligations of the State Health Planning and Development Agency by a small undetermined amount to: (1) issue and renew certificates to entities that are engaging in activities that carry out the state's policy provided in this bill; and (2) adopt rules that provide for the ongoing and active supervision of certified entities.
