(4) If the LESC requests a jail staff member to procure an immigration detainer for the inmate and the inmate is still in custody, the inmate shall not be released until after the contact is made. (c) If a newly admitted inmate claims to be a consular officer or to have diplomatic status and the inmate is unable to produce the proper credentials or verification of diplomatic status as required, a jail staff member shall

contact the United States Department of State during its normal working hours or the Command Center of the Office of Security of the United States Department of State outside of working hours to request verification of the inmate's status as a consular officer or of other diplomatic status. Once an inmate's status is verified as a consular officer or diplomat, he or she shall be immediately released.

(d) Nothing in this section shall be construed to deny an inmate bond or from being released from confinement when the inmate is otherwise eligible for release; provided, however, that upon verification that any inmate confined in a jail is an illegal alien, the inmate may be detained, arrested, and transported as authorized by state and federal law.
