22 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

23 Section 1. (a) To promote the development of a

purposes of this section, "state program" means the Imagination Library of Alabama Program.

(b) State program funds shall be used to provide, through Dolly Parton's Imagination Library, one age-appropriate book, per month, to each registered child from birth to age five in participating counties. Books shall be sent monthly to each registered child's home at no cost to families. Subject to an annual appropriation, the Department of Early Childhood Education shall contribute the state's matching funds per the cost-sharing framework established by Dolly Parton's Imagination Library for the state program. The state program shall contribute the 50 percent match of funds required of local programs participating in Dolly Parton's Imagination Library. Local program partners shall match the state program funds to provide the remaining 50 percent match of funds required by Dolly Parton's Imagination Library as described in paragraph (2)a.

(1) The Imagination Library of Alabama Fund is created as a special fund in the State Treasury. The Department of Early Childhood Education may accept gifts, grants, awards, donations, matching contributions, appropriations, interest income, public or private bequests, and cost sharings from any individual, business, government, or other third-party source, and any federal funds. All monies received pursuant to this section shall be deposited into the State Treasury to the credit of the Imagination Library of Alabama Fund. Amounts deposited into the fund shall be budgeted and allotted in accordance with Sections 41-4-80 through 41-4-96 and Sections

Any monies that are unobligated or unexpended at the end of a fiscal year shall remain in the Imagination Library of Alabama Fund, shall not lapse into the State General Fund, and shall be available to the department for expenditure in the next fiscal year, subject to appropriation.

(2) Monies received pursuant to this section are subject to appropriation by the Legislature and may only be expended for purposes consistent with the conditions under which the monies were received including, but not limited to, the following:

a. Subject to availability, monies in the fund shall be allocated to qualified local entities that provide a dollar-for-dollar match for the program. As used in this section, "qualified local entity" means any existing or new local Dolly Parton's Imagination Library affiliate.

b. Monies in the fund may be used by the Department of Early Childhood Education to pay for administrative expenses of the state program, including associated operating expenses of the department or any nonprofit entity that coordinates the state program pursuant to subsection (c).

(c) The Department of Early Childhood Education shall coordinate with a nonprofit entity qualified under 26 U.S.C. § 501(c)(3) to operate the state program.
