SYNOPSIS:

Existing law provides for the requirements for the contents of a driver license and nondriver identification card.

This bill would require the Alabama State Law Enforcement Agency to establish a method for an individual to voluntarily designate on a driver license or nondriver identification card that the individual has been diagnosed with certain medical conditions.

A BILL
TO BE ENTITLED
AN ACT

Relating to motor vehicles; to amend Section 32-6-6, Code of Alabama 1975, to require the Alabama State Law Enforcement Agency to establish a method for an individual to voluntarily designate on a driver license or nondriver identification card that the individual has certain medical conditions.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. This act shall be known and may be cited as the Driver Communication and Safety Enhancement Act.

Section 2. Section 32-6-6, Code of Alabama 1975, is

HB66 INTRODUCED

amended to read as follows:

"§32-6-6

(a) Each driver license issued by the Alabama State Law Enforcement Agency (ALEA), except temporary permits or other special circumstances as determined by the Secretary of the Alabama State Law Enforcement Agency, shall contain a distinguishing number assigned to the licensee and a color photograph of the licensee, the name, birthdate, address, and a description of the licensee. ~~., who, for~~ For the purpose of identification and as a condition precedent to the validity of the license, immediately upon receipt of the license, the licensee shall endorse his or her usual or regular signature upon the license in the space provided, unless a facsimile of the licensee's signature appears on the license.
