Replace line 52 on page 2 with the following:

education program offered by a public school, subject  
to all of the following:

Replace lines 54 through 55 on page 2 with the following:

public school student.

(2)a. The home school student resides in the school  
district of the public school in which the home school  
student intends to enroll.

b. Notwithstanding paragraph a., the local board of  
education may permit the enrollment of a home school  
student who resides outside of the school district,  
provided that the local board of education prioritizes  
the enrollment of home school students who reside in the  
public school's school district.

(3) The home school student pays any course fees in  
an
