Replace line 41 on page 2 with the following:

(c) For purposes of this section, the newsgathering activities of a bona fide news organization shall not be considered actions that impede or interfere with a first responder. For purposes of this subsection, a "bona fide news organization" includes a radio or television broadcasting station operating with a license or other authorization issued by the Federal Communications Commission which routinely broadcasts via television, the Internet, or another electronic manner, as a part of its programming, news and commentary in newscasts, news interviews, news documentaries, and on-the-spot coverage of bona fide news events.

(d) Interference with a first responder is a Class A

Replace line 43 on page 2 with the following:

(e) This section does not apply to the obstruction,
