10 A BILL
11 TO BE ENTITLED
12 AN ACT
13

14 Relating to state marine waters; to create the Alabama
15 Seagrass Restoration Task Force; and to provide for its
16 membership and duties.

17 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

18 Section 1. It is the intent of the Legislature to
19 establish a collaborative and coordinated effort among public
20 and private research entities to develop restoration
21 technologies and approaches to address the loss of seagrass
22 within state marine waters and the cascading ecological and
23 economic impacts of that loss to this state.

24 Section 2. (a) The Alabama Seagrass Restoration Task
25 Force is established to lead and expedite formulating,
26 testing, and developing innovative, effective, cost-efficient,
27 and environmentally sustainable technologies to restore
28 coastal seagrass ecosystems by building upon research and

29 efforts within the public and private sectors.

30 (b) The task force shall consist of the following
31 members:

32 (1) The executive director of the Dauphin Island Sea
33 Lab to serve as a cochair.

34 (2) The President of the University of South Alabama,
35 or his or her designee, to serve as a cochair.

36 (3) The Chair of the House of Representatives Ports,
37 Waterways, and Intermodal Transit Committee.

38 (4) The Commissioner of Conservation and Natural
39 Resources, or his or her designee who has expertise in
40 seagrass ecosystems.

41 (5) The Director of the Mobile Bay National Estuary
42 Program.

43 (6) A member from a private commercial enterprise
44 appointed by the Governor.

45 (7) A member from a public or private university in
46 this state other than the University of South Alabama
47 appointed by the President Pro Tempore of the Senate.

48 (8) Two members from a non-university public or private
49 marine environmental organization with one member appointed by
50 the Speaker of the House of Representatives and one member
51 appointed by the Lieutenant Governor.

52 (c) The task force shall develop a 10-year Alabama
53 Seagrass Restoration Plan to recommend the tools, approaches,
54 and technologies developed pursuant to this act.

55 (d) If a vacancy occurs for any appointed member, the
56 respective appointing authority shall appoint a new member.

SB124 INTRODUCED

57 (e) The appointing authorities shall coordinate their
58 appointments to assure the task force membership is inclusive
59 and reflects the racial, gender, geographic, urban, rural, and
60 economic diversity of this state.

61 (f) (1) The legislative members of the task force shall
62 be entitled to their legislative compensation, per diem, and
63 travel expenses for each day they attend a meeting of the task
64 force pursuant to Section 49 of the Constitution of Alabama of
65 2022.

66 (2) The nonlegislative members of the task force shall
67 serve without compensation but may be reimbursed for necessary
68 expenses in attending meetings of the task force pursuant to
69 the policies of their respective appointing authority.

70 (g) The initial meeting of the task force shall be
71 called by the cochairs and shall be held by January 1, 2027.
72 Thereafter the task force shall meet no less than twice per
73 year.

74 (h) The Dauphin Island Sea Lab shall provide all
75 necessary staff and support, including meeting space, to the
76 task force for the performance of its duties.

77 (i) Not later than the first day of each regular
78 session of the Legislature, the task force shall provide a
79 report of its progress made in developing and administering
80 the 10-year Alabama Seagrass Restoration Plan and its
81 findings, conclusions, accomplishments, priorities for
82 subsequent years, and recommendations for proposed
83 legislation, if any, to the Governor, President Pro Tempore of
84 the Senate, Speaker of the House of Representatives, and the

Commissioner of Conservation and Natural Resources.

Section 3. (a) The Dauphin Island Sea Lab shall be the fiscal agent for all funds appropriated to the task force to achieve the goals of the task force.

(b) The Dauphin Island Sea Lab, with the consent of the task force, may use funds appropriated to the task force to facilitate engagement with other relevant marine science and technology development organizations in this state, nation, and around the world to pursue applied research and technology for the successful restoration of seagrass ecosystems.

(c) The Dauphin Island Sea Lab may retain funds appropriated to the task force for administrative costs expended by the sea lab pursuant to this act.

(d) In addition to any state-appropriated funds, the task force may accept gifts, grants, and donations from private and federal sources.

Section 4. This act shall become effective on October 1, 2026.
