

SB132 INTRODUCED

1 SB132
2 G3HQD2C-1
3 By Senator Shelnuttt (N & P)
4 RFD: County and Municipal Government
5 First Read: 13-Jan-26

4 SYNOPSIS:

5 Under existing law, each county with a
6 population of 400,000 or more shall have a county
7 personnel board for all employees and appointees
8 holding positions in the classified service of the
9 county and each municipality with a population of 5,000
10 or more.

11 This bill would authorize a Class 8 municipality
12 with a population of 25,000 or more according to the
13 last decennial census and that has a corporate limit
14 lying in two counties to opt out of the county
15 personnel board's jurisdiction after six months notice,
16 and to opt back in to the jurisdiction of the county
17 personnel board not less than 10 years thereafter at
18 the sole discretion of the municipality.

19 This bill would require a municipality that opts
20 out of a county personnel board's jurisdiction to
21 create its own municipal civil service system and
22 continue all vested rights and interests of employees
23 and appointees who were subject to the county personnel
24 board.

25 This bill would prohibit a municipality subject
26 to this act from engaging in discrimination which is in
27 violation of federal or state law and would require the
28 municipality to adopt a certain antidiscrimination

policy.

This bill would provide and confirm that the act is intended to be retroactive and curative.

This bill would also repeal a law that authorizes certain Class 8 municipalities to opt out of a county personnel board.
