Replace line 131 on page 5 with the following:

(e) (1) No agency shall establish as the default or be

required to use values from the

Replace line 134 on page 5 with the following:

quality criteria.

(2) An agency that has adopted a rule establishing

use of the United States Environmental Protection

Agency's Integrated Risk Information System as the

default in any numeric water quality criteria shall

revise all rules to comply with this subsection not later

than nine months after the effective date of this act.

Replace line 140 on page 5 with the following:

requirements, so long as an agency does not have

discretion or flexibility under some or all of the

federal requirements or authorization.

Replace lines 151 through 152 on page 6 with the

following:

25                   Section 2. This act shall become effective  
26                   immediately.
