SYNOPSIS:

Under existing law, the abuse, neglect, and financial exploitation of an elderly person is prohibited.

Also under existing law, financial services providers are authorized to refuse or delay execution of a financial transaction if the provider has reasonable cause to suspect that financial exploitation of an elderly or vulnerable adult has occurred.

This bill would create the Alabama Adults with Disabilities Protection Act to prohibit certain intentional and reckless abuse, neglect, and financial exploitation of adults with disabilities.

This bill would create the crimes of abuse and neglect of an adult with a disability in the first, second, and third degrees and provides criminal penalties.

This bill would create the crimes of financial exploitation of an adult with a disability in the first, second, and third degrees, and provides criminal penalties.

This bill would require prosecutions of abuse and neglect of an adult with a disability and financial exploitation of an adult with a disability to be commenced within seven years of the offense.

## HB60 INTRODUCED

29                   This bill would also provide civil immunity for  
30 any individual or entity investigating any report of  
31 abuse, neglect, or financial exploitation of an adult  
32 with a disability.

33                   Section 111.05 of the Constitution of Alabama of  
34 2022, prohibits a general law whose purpose or effect  
35 would be to require a new or increased expenditure of  
36 local funds from becoming effective with regard to a  
37 local governmental entity without enactment by a 2/3  
38 vote unless: it comes within one of a number of  
39 specified exceptions; it is approved by the affected  
40 entity; or the Legislature appropriates funds, or  
41 provides a local source of revenue, to the entity for  
42 the purpose.

43                   The purpose or effect of this bill would be to  
44 require a new or increased expenditure of local funds  
45 within the meaning of the amendment. However, the bill  
46 does not require approval of a local governmental  
47 entity or enactment by a 2/3 vote to become effective  
48 because it comes within one of the specified exceptions  
49 contained in the amendment.
